

## ANGELA BOHLKE, MD DERMATOPATHOLOGY

### BOARD CERTIFICATIONS

- Anatomic & Clinical Pathology
- Dermatopathology

### FELLOWSHIP

- Dermatopathology  
Tulane University School of Medicine  
New Orleans, LA

### RESIDENCY

- Anatomic & Clinical Pathology  
Tulane University School of Medicine  
New Orleans, LA

### MEDICAL/DOCTORATE DEGREE

- Tulane University School of Medicine  
New Orleans, LA

### GRADUATE DEGREE

- Tulane School of Public Health and  
Tropical Medicine  
New Orleans, LA

### UNDERGRADUATE DEGREE

- Marquette University  
Milwaukee, WI

### PROFESSIONAL SOCIETIES & ASSOCIATIONS

- American Society of Dermatopathology
- American Society of Clinical Pathology

Dr. Bohlke joined Incyte Diagnostics in 2023. She is board certified in dermatopathology, anatomic, and clinical pathology.

Dr. Bohlke completed her undergraduate degree in physiological science at Marquette University in Milwaukee, WI. She went on to attend the Tulane University School of Medicine in New Orleans for her medical training and was enrolled in their MD/MPH program simultaneously earning her masters in public health at Tulane School of Public Health. Following her doctor of medicine degree, she completed a residency in anatomic and clinical pathology and a fellowship in dermatopathology.

She received an award for Excellence in Teaching from Tulane University's Department of Pathology.

After she finished her fellowship, Dr. Bohlke began work as a dermatopathologist and as the Laboratory Director at Silver Falls Dermatology in Bend and Salem, OR.

For 9 years, Dr. Bohlke serve as the Director of Dermatopathology for Samaritan Health Services Dermatology Residency.

Dr. Bohlke has presented several times at the American Society of Dermatopathology Annual Meeting, the International Society of Dermatopathology Annual Meeting, as well as at the American Society of Cytopathology Annual Meeting and the Louisiana Cancer Research Consortium.

Outside of medicine, Dr. Bohlke enjoys photography, skiing, reading, and cooking.

## PRESENTATIONS

- Nguyen M, Carrigg A, Bohlke A. Nodular granulomatous secondary syphilis. Oral presentation at the International Society of Dermatopathology Annual Meeting, April 2022.
- Nguyen M, Miranda-Cacdac L, Carrigg A, Bohlke A. A rare case of non-neural granular cell tumor induced by ALK gene fusion. Poster presented at the International Society of Dermatopathology Annual Meeting, April 2022.
- Nguyen M, Lear W, Bohlke A, Carrigg A. Temporal arteritis manifesting as skin fragility in a patient on cemiplimab immunotherapy undergoing Mohs surgery. Poster presented at the International Society of Dermatopathology Annual Meeting, April 2022.
- Bohlke A, Murina A, Whitling N, Wang A. Tattoo-like pigmentation in leprosy induced by minocycline. Poster presented at the American Society of Dermatopathology Annual Meeting, Seattle, October 2011. Abstract published J Cutan Pathol 2012: 39: 88-217.
- Whitling N, Bohlke A, Wang A. Differential p16(INK4A) Immunoreactivity Patterns: Bowen Disease Versus Bowenoid Papulosis. Oral Presentation at the American Society of Dermatopathology 48th Annual Meeting, Seattle, October 2011. Abstract published J Cutan Pathol 2012: 39: 88-217.
- Whitling N, Bohlke A, Wang A. p 16 expression and its significance in cutaneous squamous neoplasia - correlation with dysplasia and human papillomavirus infection. Poster presented at Louisiana Cancer Research Consortium 2011 Annual Scientific Retreat, New Orleans, April 2011.
- Bohlke A, Altmeyer M, Wang A. Trichothiodystrophy: A Case Report and

Literature Review. Oral presentation at the 14th Annual Joint Meeting of the International Society of Dermatopathology, New Orleans, February 2011.

- Whitling N, Bohlke A, Wang A. p 16(INK4A) Expression in Seborrheic Keratosis, Condyloma Accuminatum, Verruca Vulgaris and Bowenoid Papulosis. Oral presentation at the 14th Annual Joint Meeting of the International Society of Dermatopathology, New Orleans, February 2011.
- Bohlke A, Grafton L, Altmeyer M, Wang A. Purpura of levamisole-tainted cocaine. Poster presented at the American Society of Dermatopathology Annual Meeting, Atlanta, October 2010. Abstract published J Cutan Pathol 2011: 31: 81-177.
- Bohlke A, Vo V, Schmid J, Scott J. Transplantation-associated Thrombotic Microangiopathy: Case Report and Review of the Literature. Poster presented at American Society for Apheresis Meeting, New Orleans, May 2010.
- Hughes S, Gammon B, Bohlke A, Altmeyer M, Wang A. Nested Melanocytic Hyperplasia Mimicking Lentigo Maligna in Interface Dermatitis, Series of Five Cases. Poster presented at American Society of Dermatopathology Annual Meeting, Chicago, October 2009.
- Gammon B, Hughes S, Bohlke A, Altmeyer M, Wang A. Giant calcified and ulcerated collagenoma with associated smooth muscle proliferation. Poster presented at American Society of Dermatopathology Annual Meeting, Chicago, October 2009.
- Bohlke A, McCarty C, Moroz K. Intraoperative Diff-Quik Pattern Predictive of Malignant Transduodenal Ultrasound Guided Fine Needle Aspirates of Pancreatic Masses. Poster presented

at American Society of Cytopathology Annual Meeting, Orlando, November 2008.

- Bohlke A, Oswald B, Boh E, Wang A. Schopf-Schulz-Passarge Syndrome: A case report. Poster presented at American Society of Dermatopathology Annual Meeting, San Francisco, October 2008.
- M Chen, Bohlke A, Beyt G. Health Care Services Division Post Hurricane Survey. Oral presentation at the Center for Disease Control/ American Medical Association/ American Public Health Association Katrina Summit, New Orleans, June 2006.
